Armageddon

Oscar: Ok, Mr. Truman, let's say that we actually do land on this. What's it gonna be like up there?

Truman: 200 degrees in the sunlight, minus 200 in the shade, canyons of razor-sharp rock, unpredictable gravitational conditions, unexpected eruptions, things like that.

Oscar: Okay, so the scariest environment imaginable. Thanks. That's all you gotta say, scariest environment imaginable.

The Untouchables

Ness: I want to get Capone! I don't know how to do it.

Malone: You wanna know how to get Capone? They pull a knife, you pull a gun. He sends one of yours to the hospital, you send one of his to the morgue.

That's the *Chicago* way! And that's how you get Capone
